

Lezione del 27 - 10 - 2021

We started the lesson with "Il gioco dell'oca" (pages 30-31) so we repeated the grammatical themes already made.

We focused on the verbs in "ARE".

We started chapter 3 (page 33) and completed the ex. 1, 3 and 4 (pages 34 - 35). The theme of food in Italy is broad and yesterday the focus was on coffee ([watch the video below and complete the Pdf](#)), and cappuccino and latte macchiato.

One more thing: yesterday I focused on useful keywords in Italy: "**Scusi**" to attract attention and "Vorrei" to order.

Homework: exercises pages 158 - 159 +
